

CALL FOR PARTICIPATION: POSTERS CLIHC 2017

ANTIGUA GUATEMALA - NOVEMBER 8-10, 2017

IMPORTANT DATES

- August 31, 2017, 12:00 a.m. AoE: Deadline for submissions
- September 10: Posters notification
- September 15: Camera-ready deadline
- November 8-10: Final presentation

QUICK LINKS:

- Extended Abstracts Format: [LaTeX Template](#), [Word Template](#)
- Submission link: <https://easychair.org/conferences/?conf=clihc2017>
- Contact Email: posters.clihc@gmail.com

GENERAL INFORMATION

We invite submissions to the poster category of CLIHC 2017.

The CLIHC 2017 poster program offers an engaging venue to present and discuss new and developing research. Posters provide the opportunity for researchers to get feedback on early-stage work, establish potential collaborations and discuss the trending topics in CLIHC 2017 in an informal manner with the larger CLIHC community during the interactive poster session.

Work that is best suited for a poster submission includes - but is not limited to – preliminary results, provoking and current topics, novel experiences or prototypes that have not been fully tested but show great promise, summaries of small-scale studies, design explorations of interactive user experiences.

In addition to a poster being displayed during CLIHC 2017, a poster submission will feature an extended abstract of the poster (2-4 pages) and will be allocated 10-15 minutes for presentation during the conference.

PREPARING THE SUBMISSION

All submissions must include an extended abstract and a draft poster. The extended abstract could be written in English, Spanish or Portuguese that must be more than 1 page and not exceed 4 pages, including all figures and references, and must be in the SIGCHI Extended Abstracts Format ([LaTeX Template](#) , [Word Template](#)). It should include a concise description of the idea, implications of the work to the selected domain. Full literature searches are not expected, although relevant citations should be included.

The reviewing of abstract will be single blind - that is, your submission should **not** be anonymized but reviewers will remain anonymous to you. All submissions conflicting with one or more guidelines will be removed before the reviewing process as we could not assure an on-time publication.

Your abstract should be sent by August 31st, 2017 through the [EasyChair CLIHC 2017 page \(https://easychair.org/conferences/?conf=clihc2017\)](https://easychair.org/conferences/?conf=clihc2017). The submitted files must be in PDF format.

REVIEWING

Posters abstracts will be reviewed by members of the CLIHC 2017 Poster Session Committee. Confidentiality of submission is maintained during the review process. All rejected submissions will be kept confidential in perpetuity. All submitted materials for accepted submissions will be kept confidential until the beginning of the conference.

PRESENTATION AT THE CONFERENCE

Upon acceptance you should prepare your poster in order to effectively communicate your research problem, techniques and results. Particularly, you should highlight what is novel and important about your work. For each accepted poster, at least one author must register for the CLIHC 2017 conference. During a dedicated poster session, the author(s) will have the opportunity to present and demonstrate their new and innovative work with conference attendees. To increase visibility of accepted works, in this edition poster authors will be allocated 10-15 minutes in addition to the poster session, to present their work.

The posters themselves have no predefined formatting, but we recommend that the posters dimensions be up to 61 x 91 cm / 24 x 36 in. The posters must be in portrait orientation. Authors are expected to bring the accepted posters to the conference site with them and be present throughout the poster session and during their allocated time for presenting.
